Subject: Letter of Commendation for Service & Performance

PFP Aust Pty Ltd would like to thank Tube Developments Ltd for their support throughout 2009, in the supply of seamless carbon steel pipes for the ENI Black Tip Project

This was a prestigious Australian project, which ran for a period of 2 years in which your product range, depth of stock, market competitive pricing and professional execution was paramount to the successful completion of the project.

We thank you for your ongoing support and look forward to working with your company again in the very near future.

Regards

Robert Carrabba
